LR 79

Beutler, did you wish to address that?

SENATOR BEUTLER: Senator Cudaback, I just wanted to take two seconds to indicate that I had the good fortune of personally meeting Mister...to meet Barney a couple of years ago and probably one of the things I remember most about him was his memories of Nebraska and how high Nebraska was in his mind. And even though he hadn't lived here I think for, what, 50 years, Senator Vrtiska, something like that, he's been...he was senator...he was General Eisenhower's secretary, he's been all over the world, met all kinds of people in the world, but never in all that activity was Nebraska far from his mind, which was quite remarkable. And most of his philanthropic activity has centered around Nebraska activities in education or health related areas. So I, too, just wanted to note his passing and the feeling for Nebraska that he had. Thank you.

SENATOR CUDABACK: Thank you, Senator Beutler. Senator Vrtiska, there are no further lights on. Did you wish to close on your LR?

SENATOR VRTISKA: Just one word that I forgot. I just need to remind people or to let people know that he was one of the greatest storytellers I ever met and some of the stories that he's told are classics. And with that, I ask for your recognition of senator...or Colonel Oldfield. Thank you, Mr. President.

SENATOR CUDABACK: Thank you, Senator Vrtiska. You've heard the closing on LR 79. The question before the body is, shall LR 79 be adopted? All in favor of the motion vote aye, opposed nay. Before the body is LR 79. Have you all voted who wish to? Record please, Mr. Clerk.

CLERK: 34 ayes, 0 nays, Mr. President, on the adoption of LR 79.

CLERK: I do, Mr. President. I have an acknowledgement of a
